

Introduction:

Custom Hiring Centre (CHC) are basically a unit comprising a set of farm machinery, implements and equipment meant for custom hiring by farmers. The main objective of CHC is to supply of farm implements to small, marginal and poor farmers at subsidized rates on hire. This enables the small and marginal farmers to take up farm operation on time.

Advantages of CHC:

- Provides access to small and marginal farmers to costly farm machinery.
- Reduces drudgery
- Reduction in cost of cultivation
- Work opportunities to skilled labour
- Increase in cropping intensity wherever feasible
- Efficiency in use of resources and applied inputs.
- Crop diversification
- Timely production
- Provides farm advisories

- Revenue generation is plagued back to the society

Establishment of CHC:

Custom Hiring Centre (CHC) was established at Hengbung NICRA village sponsored by ICAR-CRIDA, Hyderabad in 2011-12. CHC- Hengbung is run by Village Climate Resilient Management Committee (VCRMC) constituted under NICRA. Different farm machineries are made available on hire to the farmers at nominal charge by CHC.

Machineries at CHC:

Different types of farm machineries have been made available to the farmers since 2011-12.

Lists of farm machineries available at CHC-Hengbung are mentioned below for different agricultural operation:
